**The Honda Fit Hybrid (aka Jazz) is a hugely popular hatchback that is a blend of fuel efficiency and practicality. Its hybrid powertrain, combining a 1.5L engine with an electric motor, delivered impressive fuel economy figures without sacrificing performance. Its incredibly spacious and versatile interior feature Honda's innovative Magic Seats that can be folded and configured in various ways to accommodate passengers or cargo of different shapes and sizes. Boasting a modern and stylish design, both inside and out, with features like keyless entry, push-button start, and being the L version is finished with higher trim
