**This little guy is all about being practical and fuel-efficient without being boring. It's got a 1.0L turbocharged engine paired with an electric motor, so its both very zippy and very fuel efficient. Inside, the Xbee Hybrid is surprisingly roomy! You can easily fit tall adults without feeling cramped, and there's plenty of space for your stuff. You definitely won't lose it in a parking lot with its funky boxy styling, chunky wheel arches and cool two-tone paint job. If you're looking for a fun, practical, and fuel-sipping car that stands out from the crowd, this
