****ITS ALL ABOUT THE KMS !!** Looking for an incredible deal on a practically new second-hand car? This 2019 Nissan Note e-Power Hybrid is a steal with only 25,000 kms on the clock! And for only \$17,990, you'll be cruising in style without breaking the bank. This Note is in pristine condition, both inside and out. The non-smoker interior is spotless, and the exterior is absolutely immaculate. You'll feel like you're driving a brand new car! But this Note isn't just about low kms and a great price. It's also packed with the latest e-Power Hybrid technology. This means you get the instant torque and smooth acceleration of an electric car, but without the range anxiety. The 1.2-liter engine acts as a generator, charging the battery while you drive, so you can enjoy all the benefits of electric power without ever having to plug in. This Note is an absolute blast to drive. It's incredibly responsive, surprisingly powerful, and insanely fuel-efficient. Don't miss out on this unbeatable price**
