

2015 Volkswagen Polo

1.4i Blue GT *29,000KMS - FACELIFT MODEL *

The Polo GT is one of those cars that you need to see and drive to experience what small car motoring should be. These hot hatches are certainly more powerful with their 1.4ltr Turbo engine which has a much bigger kick than the normal 1.2ltr TSi model. This is also the newer FACELIFT model which incorporates a host of extras including full Adaptive Radar Cruise Control. Sublime handling as you would expect from a GT model and a stunning upgraded sport interior including seating. The GT also features VW's very clever Active Cylinder Technology (ACT), which shuts down two cylinders under light throttle to save you fuel. All in all these are one best in small hot hatches available!
