**This Nissan Note is not your average compact car! It's got a secret weapon under the hood – the DIG-S supercharged engine. This little powerhouse delivers more oomph than the standard Note while sipping fuel like a tea-totalling grandma.

This particular Note is a real head-turner in metallic Artic Blue. Step inside, and you'll find a surprisingly spacious interior with loads of legroom and a boot that's bigger than you'd expect. Plus, it's in immaculate condition, with a non-smoker history, so you know you're getting a car that's been well looked after.

This Note is the perfect blend of performance, practicality, and style. It's ideal for zipping around town or hitting the open road, all while keeping your fuel costs down**
