We're so excited to offer this incredible Nissan Note e-Power BLACK ARROW (and with radar cruise control!!) that we couldn't wait to share it with you! Its arriving early December and we'll be updating this ad with even more photos and details very soon.

In the meantime, know that I brought it on my last trip to Japan and have seen and touched it so I know its in tip-top shape and will be ready for its new home soon.

Keep an eye out for more juicy car details or schedule a viewing and be the first to see it when it arrives (or better yet, give us a call to lock this vehicle before somebody else does!!) We're so confident you'll love this car, we offer a refundable deposit if you're not happy when you see it in person. And trust us, you'll love it – we've never had anyone ask for their deposit back! As specialists in top-quality Japanese imports, we hand-pick every vehicle to ensure it meets our high standards. Don't miss out!
