****Zip Around in Style with this 2014 Toyota Aqua Hybrid G!**
 This Little Red Rocket is Ready to Fly! (But it's a Hybrid, So It Sips Fuel Like a Hummingbird)
 Being G Model it's the nice one with all the cool stuff – leather-style seats (fancy!), push-button start (vroom!), and sleek alloy wheels that'll make you the envy of all your neighbours
 Plus, it's bright red, so you'll never lose it in a parking lot.
 But don't let its small size fool you, this Aqua has plenty of space inside for all your stuff.
 And with its amazing hybrid engine, you'll be laughing all the way to the bank as you watch those fuel costs plummet.
 This Aqua is not only stylish and efficient, but it's also got that legendary Toyota reliability, so you know it's going to run like a dream for years to come. Don't miss out on this hot little hatchback! Come take it for a spin and see why everyone loves the Aqua**
