The Nissan Note e-Power is a unique and innovative car that offers the benefits of an electric vehicle without the range anxiety. Its electric motor provides a powerful, smooth and quiet ride, while its petrol engine acts as a generator to keep the battery charged. This means you can enjoy the instant torque/power and efficiency of an EV without having to worry about charging it or any Govt Road User Chargers! The Note e-Power also comes with a variety of advanced safety features, making it a great choice for families, long distant driving or city dwellers alike. Stunning in Cobalt Blue and immaculate non-smokers condition throughout**
