****This Honda Shuttle Hybrid Sensing is Like a Magic Wagon!!**
 Need a car that's spacious enough for your whole crew, but doesn't guzzle gas like a monster truck? Say hello to this **INSANELY PRICED** facelift model Honda Shuttle Hybrid! It's the upgraded model, so it's got all the latest SENSING tech and safety features to keep you and your passengers happy & safe, plus, it's a hybrid, so you'll be saving a ton of money at the pump.
 This Shuttle is like a magic trick – it's way bigger on the inside than it looks! You've got tons of space for passengers, and the boot is HUGE. Seriously, you could fit a whole marching band back there (maybe not but close!). Fold the seats flat, and you've got a completely flat floor, perfect for hauling all your gear no matter what it is. And don't worry about sacrificing performance for space – this Shuttle has plenty of pep in its step!
 This Shuttle is stylish too with a modern interior and is a super comfy and nice place to be**
