

2013 Subaru XV

2.0I-L 4WD

You wont find another like this. As new as you can get without being new and the colour that everybody wants! Travelled only 44,000kms this standout and absolutely pristine condition Subaru XV will suit the fussiest of buyers in everyway. In our opinion these are one of the best options in AWD SUVs as they perfectly sized for suburbia yet has loads of space and the extra ground clearance for those off road adventures or ski trips. Incredibly popular and superbly featured hatchback and with these kms probably the best in NZ
