

2014 Toyota Corolla

Auris 1.5i Sport **LOW KMS- IMMOBILISER **

****SPECIAL PRICE OF \$14850 ENDS AT THE END ON THE MONTH****

****This 2014 Corolla Auris is seriously like new ! The previous owner clearly babied it, and it shows. It's the kind of car you'd think was just driven off the production line.**

The Auris is a great-looking hatchback that's super practical too. The alloy wheels and that pearl white paint job make it stand out, and there's tons of room inside. Plus, it sips fuel, so you'll save at the pump. Corolla hatchbacks are one of those great looking cars that simply ticks all the boxes.

Of course, the Corolla name is synonymous with reliability, and this one is no exception. It's built to last, offering peace of mind for years to come. If you're in the market for a used car that feels like new, looks great, and won't let you down then this is the one for you! **
