

## 2018 Suzuki Ignis

Hybrid **\*\*FRONT-SIDE- CURTAIN AIRBAGS \*\***

\*\*Check out this 2018 model of Suzuki's very cool retro looking 5 door hatchback. I handpicked this Ignis on my last trip to Japan so I can guarantee that its in an immaculate non-smokers condition throughout! Cleverly designed to be a cross between a small car and a small SUV and it incorporates a mild hybrid system that gives you a boost of power when needed aiding in better performance and fuel efficiently. Slightly higher seating position allows more much easier entry and existing and of course better visibility when driving and parking. They are fabulous any way you look at them!!\*\*
