

2017 Nissan X-Trail

Hybrid ****PRO-PILOT- 4WD- CRUISE ****

****Who Says Big SUVs Have to Guzzle Gas? This X-Trail Hybrid is Here to Prove 'Em Wrong!** Check out this awesome FACELIFT 4WD Nissan X-Trail Hybrid! It's got all the bells and whistles you could ask for, including Nissan's super-smart ProPilot safety tech, toasty heated leather seats, and a 360-degree camera that makes parking a breeze. This bad boy is the higher-spec facelift model, in mint condition (never been smoked in!), and it's the 4WD version, so you can take it to most places.

The best part? This X-Trail sips fuel like a hummingbird compared to most heavy SUVs thanks to its awesome hybrid engine. You get all the space and comfort of a big SUV without the massive fuel bills....plus, we're throwing in a 36-month hybrid warranty because we're cool like that.

So, if you're after a spacious, safe, and fuel-sipping 4WD SUV that's ready for anything, this X-Trail Hybrid is your new best friend. Come take it for a spin and see what all the fuss is about!**
