**The Cross Polo 1.2 Turbo is a unique vehicle that combines the style of a hatchback with the versatility of a crossover. It is based on the Volkswagen Polo, but it has been given a number of styling and mechanical changes that make it more rugged and practical. The increased ground clearance gives the driver a better view of the road and also allows much easier access into the car plus it gives you the ability to be a little more adventurous exploring the bumpy gravel roads! The Cross Polo has an upgraded interior with premium materials while enjoying the comfort of supportive seats and ample room for passengers and
